PROTOCOLS FOR INDOOR ATHLETIC EVENTS

Hello players, coaches, officials, and parents,

We are happy to be able to host you here in the Lomira school District for our event.

As you know, things are going to look different at all events this year. If we want to be able to continue to host events and allow spectators to those events, we need to follow some strict protocols. Please observe this link to our [Wisconsin Flyway Conference protocols](#). These protocols will be followed at all Wisconsin Flyway Conference schools, including Laconia, Lomira, Mayville, North Fond du Lac, Omro, Saint Lawrence Seminary, Saint Mary's Springs Academy, and Winnebago Lutheran Academy. Any non-conference schools attending activities in our facilities will also be expected to follow these protocols while attending an event in our building.

While here in Lomira, here are some other event specific information you'll want to be aware of. Note that door numbers are listed on the exterior of the building with red and white signage. be sure to self monitor for symptoms before attending any school events.

Elementary Gym:

If your event is in the elementary gym space, teams, officials, and spectators will be **entering through Door 1** on the north east corner of the building. As you enter, please use the hand sanitizer that is at the table. At the doorway, you will be met by the event door monitor. As you can see from the protocols linked above, we are allowing 2 spectators per athlete and at least 1 must be a parent or guardian. The person at the door will check your name for contact tracing purposes. **Restrooms for spectators** are located near Door 1. The people that arrive together must sit together as well. As you enter the gym, head to your section (home or visitor) and **sit only in areas designated** by blue tape in order to assure social distancing. Remember, **masks** will remain on at all times. The gym will be cleared between events. Please space yourself out as you exit but do not linger. The **spectator exit** is Door 27 in the southwest corner of the gym. If you are bringing an athlete home with you, please wait for them in your vehicle. If you are unable to attend the event in person, the elementary school gym will be streamed to this [Facebook link](#).

Officials and players should come dressed and ready, locker rooms will not be available. The event supervisor will direct you to the restrooms for teams and officials. Teams will also be assigned an area for halftime.

HS/MS Gym:

If your event is in the high school or middle school gym space, **teams and officials will only be entering door 25** which is the HS gym lobby entrance on the southwest corner of the building. Spectators will be **entering through Door 26** which is the main high school lobby entrance by the flagpole. As you enter, please use the hand sanitizer that is at the table.
